

# JESSE WALLACE

DESIGNER / DEVELOPER

650-xxx-xxxx

[jjaywallace@gmail.com](mailto:jjaywallace@gmail.com)

<http://linkedin.com/in/jjwallace>

I am a Industrial Designer focused in robotics, mechanics, materials and programming.

I was formally educated in Mechanical Engineering at Brunel University in England and received two bachelors degrees in Product Design from San Francisco State University.

My passion towards design drives my life and defines my future.

## Conferences Attended

2012  
GDC, FGS SF, GDC Online Austin

2013  
GDC SF, FGS - SF

2014  
GDC SF, Neuro Gaming Con#1 SF,  
Casual Connect San Francisco

2015  
Pocket Gamer Connects SF,  
Casual Connect SF, IndieCade LA

## PORTFOLIO

## PERSONAL DETAILS

Villars-sur-Glâne  
Switzerland

Somerset CA, 95684  
United States

## WORK EXPERIENCE

### Software Engineer

Front End Java Engineer  
Designer  
Researcher  
Founder

### Stall.life Communication Startup 2015

*Developing a Geo-Location based social network. Algorithmic based dialog and narrative tunneling for cross culture engagement. Studying sociological aspects of global communication interlinked from local connections based on narrative assessment. JSON, REST, RUBY, JAVA, AWS*

### Indie Game Developer

Java Developer  
Writer, Designer  
Sound Engineer  
Animator  
Marketer

### JJWALLACE Design : 2007-2015 CURRENT

*Developed rich media experiences. Licensed intellectual property to clients. Programmed physics engines and game engines in Java. Designed, animated and marketed games. Published over 35 games and apps.*

#### CLIENTS / PUBLISHERS

*MTV Nickelodeon, Armor Games, Slixmedia, ...  
Indie Prize Award Nominated - Casual Connect 2014*

### Product Designer

Java Developer

### Slixmedia LLC : 2011 - 2014

*Designed and Programmed games, integrated custom SDK's and API's and various media. Successfully directed focus to sound solutions to project management techniques used to save time and improve collaboration practices with overseas content providers.*

### Creative Director

### Prize LLC : 2011 - 2013

*Managed developers and projects being worked on by teams globally. Designed projects from the ground up.*

### Machinist

### MMI : 2007-2008 : Sonora CA, USA

*Operated Lathes, Mills, Toyota HMC, Mori HMC. Built equipment for military, scientific and medical automated products / robotics.*

### System Designer

### SunTech Solar California : 2002 - 2006

*Designed Photovoltaic power management systems; on-grid and off-grid systems.*

## EDUCATION

### San Francisco State University California

**B.S. in Industrial Technology,**  
*Product Design and Manufacturing*  
**B.A. in Industrial Arts,**  
*Visuals Communication*

### Brunel University London, England, UK

*Mechanical Engineering & Design  
Study Abroad (1 year)*

### Cal State Hayward University

*Multimedia and Digital Graphics.*

## HOBBIES & INTERESTS

*Operating Aircraft, Rappelling, Spear Fishing, Diving, Climbing, Snow Sports, Electronic Circuits, Design, Neuroscience, Travel.*

I am eligible to work in Switzerland & EU

I authorise the processing of my personal information under D.Lgs. 196/03.

## LETTER OF MOTIVATION

*For the past seven years I have been turning dreams into reality. Blending small interactive stories into engaging multimedia adventures. My work has been published and distributed to a audience of millions.*

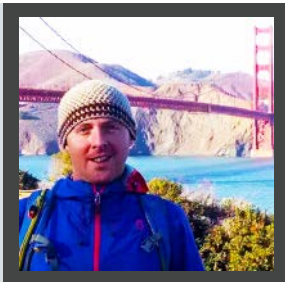

*My time spent living in Mexico as a child, England during my studies, and Switzerland as a grown professional has yielded a unique perspective on integracy. My time is best spent analyzing complex and difficult problems to create new elegant solutions.*

*I am confident, patient, calm and driven.*

*My passion towards design drives my life and defines my future.*

*Enthusiastically,*

*Jesse Jay Wallace*
