Curriculum Vitae

Formations

2008-2010 - IUT2 Pierre Mendès-France, **Grenoble (France)**
DUT Information & Communication

- *Taught me to lead group projects and managing budgets in corporate contexts.*
- *Worked on marketing study cases, PR campaigns and corporate identities.*

2011-2013 - École Superieure des Arts Décoratifs, **Strasbourg (France)**
DNAP in Visual Didactics (With High Distinction)

- *Chose to follow an artistic curriculum in order to focus myself more on visual and creative concepts.*
- *Visual Didactics is a workshop that promotes multidisciplinarity and pedagogy by producing visual, interactive or playful systems to transmit knowledge to the general public.*
- *Specialized myself in Digital Design, by making video games, mobile apps, animations and digital installations.*

2013-2014 - Edinburgh College of Arts, **Edinburgh**
Bachelor in Graphic Design

- *This experience enabled me to master the language and exchange directly with English-speaking clients.*
- *This degree was focusing on professional practice, with agency internships, national design contests (RSA, D&AD..) and client assignments.*

2014-2015 - École Superieure des Arts Décoratifs, **Strasbourg (France)**
DNSEP in Visual Didactics

- *Wrote my Master's Thesis about my concerns on learning whithin a video game, and how a good game design can impact player's pedagogical experiences.*
- *Based my degree work on interactive design using techniques such as Augmented Reality, special inks or Arduinos.*

Professional Experience

SUMMER 2010-2011-2012 - Colocarts.com, **Grenoble (France)**

- *Worked on print and digital and projects for a wide variety of clients.*
- *Taught me to meet the high expectations from a communication agency.*
- *Made Mobile app design, Wireframes, Webdesign, Logotypes, Editorial Design...*

2015 - **Freelance** Graphic Designer
- *Now working as a freelancer, focusing on establishing a genuine dialogue with my clients in order to find the perfect creative answer to all their needs.*
