- Obtain a career path in design management with the potential to become associate art director or art director.

Experience

2014-2016

Buxx Game Studio
Freelance
Artistic Director/Lead Designer

Created a unique visual identity for Buxx Game Studio and all games and ideas. Supervised the graphic design of a new game from pre-production to production, including characters, game cards, boards, and packaging. Sought out third party graphic designers for character imaging. Ensured consistancy with branding throughout the company. Managed a fluid image for game title "Make Me A God" including graphics for social media and Kickstarter, which concluded at 114% funded.

2007-2016

FastSigns Chandler
Graphic Design Manager/Lead Designer

Hired and managed a team of designers to be up to speed in a fast paced environment. Designed and met customer deadlines. Managed production and oversaw the creation of finished products. Pioneered FastSigns Chandler's creativeness for vehicle wraps, logo design and general graphics to essentially promote more sales through graphic talent rather than sales alone.

2005-2016

NonBlondeGraphics
Freelance
Owner/Graphic Designer

Sought out clients who required logo design and small art projects. Met with clients, discussed design ideas, and determined time lines to meet client deadlines. Designed mainly print/marketing collateral, logo design, and branding.
